1 AMENDMENT TO THE SPECIFICATION

- 2 On page 7, please delete the last paragraph beginning with "In an embodiment,
3 the bezel feature..." and insert the following paragraph:
- 4 —In an embodiment, the bezel feature includes a lid 225 rotatably mounted over
5 display 220. The lid 225 may be rotatable when in a closed position over
6 display 220. The lid 225 may [be opaque so as to] enable display 220 to be
7 viewed. The lid 225 may be operated as a bezel feature similar to any of the
8 embodiments described herein.--
